

## **Facilitators, Curriculum Development, and HR/OD Professionals for Ethics and Values-Based Programs and Services**

The Center for Applied Ethics at Palm Beach State College is seeking a variety of candidates with professional skills and expertise in **ethics and values-based reasoning, leadership, and organizational development initiatives to expand its current programming and services**. As a unique and innovative initiative, the Center is exploring a variety of opportunities for the development of creative approaches to address its mission.

The mission of the Center is to build and sustain a culture of ethics in Palm Beach County through training, education, research and advocacy. We accomplish this via a keynote speaker series, ethical decision-making seminars, and a variety of programs and events for both public and targeted audiences.

Please review the background information on our website at [www.palmbeachstate.edu/cae](http://www.palmbeachstate.edu/cae) and forward your resume along with a letter describing your specific interest in our work interest to my attention. I look forward to hearing from you soon!
